## HOW WILL LEASING BENEFIT YOUR AGENCY?

“National Cooperative Leasing was flexible to meet the needs of the District, and even willing to reach a compromise over certain legal aspects of the financing. **I do not hesitate to recommend National Cooperative Leasing...** To any organization seeking financing for their procurement needs.”

### 1 LEVERAGE ANNUAL APPROPRIATIONS

Increasingly tight operating and capital budgets make it hard to acquire the equipment your agency needs. Leasing allows you to stretch out the cost over several years and get your equipment today.

### 2 AVOID THE BONDING PROCESS

Leasing is faster, less complicated and much less expensive than Bond Financing and does not require voter approval.

### 3 NON-APPROPRIATION LANGUAGE

Leasing language allows you to use your operating budget for payment and avoid contributing to the agencies debt ceiling

### 4 PAYMENT CONTROL

Does your agency have a desired monthly payment? NCL has the ability to use various programs to meet your goal.

### 5 REFRESH YOUR EQUIPMENT

We have multiple options to help you refresh your equipment such as: trade-ins, sale lease-backs, add-ons, and upgrades.
